 Please note

- 1) You must indicate the major in the department you are applying for
- 2) You can take other department's major courses according to our graduate school's regulations
- 3) If you apply to a department via English Track, please keep in mind the following points:
 - You should take lectures taught in English equivalent to 50 percent or more of the credits required to graduate
 - You are selected based on your English proficiency
 - Even if you enter the English Track, you may have to take classes taught in Korean.
 - There are 10 English tracks in our graduate school. When you apply for those departments, you can select the language; Korean or English
- 4) Departments without English Track hold classes in Korean by default
- 5) The major with '★' is bilingual program which is taught in Korean(Chinese translation) and Chinese. And it focuses on short-term completion of hours per credit.
- 6) You can apply even though your previous major is different from the major you are applying for
- 7) Some classes of the English Language and Literature Department and the English Education Department are held together

3 Qualifications

1. Nationality Requirements: Applicants must meet one of the following requirements

- 1) A foreign national whose parents are both foreign nationals.
- 2) Completion of his or her entire education(equivalent to elementary, middle, high school and undergraduate) in a foreign country

2. Degree Qualifications

- 1) Master's Degree Program or Integrated Master's and Doctoral Program
 - A bachelor's degree from an accredited college or university(or expected to receive a bachelor's degree before the admissions period of the term the applicant is applying for).
- 2) Doctoral Degree program
 - A master's degree from an accredited college or university(or expected to receive a master's degree before the admissions period of the term the applicant is applying for).

3. Language Proficiency

- 1) Test of Proficiency in Korean(TOPIK): Level 3 or higher
- 2) (English Track Only)
 - a. English language proficiency: TOEFL iBT 80, IELTS 5.5, TEPS 600(new TEPS 326) or higher
 - b. Students whose native language is English
 - c. Students whose nationality uses English as a legal official language. In this case, you should submit proof of nationality, diploma and transcript of your undergraduate school.

3) (Bilingual program Only) Students whose native language is Chinese.

※ If you want to apply for Bilingual program, you should contact the 'China Center' first.
After consulting with them, you should follow their guidelines.

4) Applicants who do not meet either of the above conditions are able to apply if recommended by the chair of the department they are applying to. In this case, the applicants should submit the pledge also.

※ Recommendation form downloadable from website. (<http://newcms.kmu.ac.kr/kmugs>)

❗ Please note that International students must obtain one of the above Language Proficiency 1) or 2) or 3) to meet the graduation requirement.

4 Selection Process

- Paper screening is based on the submitted documents.
- Records of undergraduate school or graduate school are applied a percentile rank.
 - For master's applicants, records of undergraduate school are reflected.
 - For doctoral applicants, records of undergraduate school and master's degree course are reflected.
- Interviews and oral exams are comprehensively evaluated regarding the applicant's knowledge and aptitude of their major, enthusiasm for study, and the research plan based on the submitted study plan, etc.
- For applicants residing outside of Korea, an interview over the videophone can be arranged. Please check in the application form to request for a videophone interview.
- Practical exams will be conducted for applicants of Master of Music and Performing Arts Area.
 - Please check the Korean admission guidelines or contact graduate school to confirm the practical exams' subjects.
 - If your score in practical exam is lower than 120, you will be failed.
- If you are absent in any interview or practical exams, you will be failed.
- Detailed evaluation scores will not be disclosed.
- In case of tie score, the applicant who got the higher score in the interview will be selected. But if the applicants have the same interview scores then the applicant who got the higher undergraduate academic score will be selected.
